

Activity 1 The Power Station at Didcot

Goodbye Jigsaw

1. Keep a copy of the template so you have a record of the picture.
2. Photocopy the power station onto a sheet of card.
3. Using colouring pencils fill in the picture.
4. After colouring the picture cut along the black grid lines. Easier to cut into strips first.
5. After cutting there should be 70 squares.
6. Shuffles the squares on the table.
7. Put the jigsaw back together using the original template if needed.
