Activity 3 Learn to Draw a Rabbit.

1. The template shows six stages to draw a rabbit.
2. Using a separate sheet of paper copy stage one.
3. Then follow stages two, three, four, five and six.
4. To make it easier draw on top of the template and fill in the missing parts.
5. Take the background landscape sheet and colour the sky, hills, houses, grass and fox.
6. Glue your rabbit or rabbits onto the landscape.
