

Activity 6 Making a Fan

1. Photocopy the template. Then cut around the outer line.
2. Decorate the fan with colouring pencils. Ideas sheet included.
3. The two black lines, one at each edge are the fold lines to start the folding .
4. Keeping the same distance, fold the paper back and forward to make a concertina shape.

5. Bend the bottom of the fan back two centimetres to make a hand grip. Then open the fan.
