

Activity 9 Mike's Big Adventure

One fine sunny day in June,
Mike decided to have a ride in a hot air balloon,
He went high in the sky,
And you could hear him cry,
Don't worry we'll meet up soon,
For tea and biscuits and an ice cream,
By the sea, in the park and at Turnstyle too.

Collage Activity

With the balloon there is a sheet with yellow, blue and purple rectangles to cut out into shapes of own choice. The shapes could be circles, squares, zig zags as in the other smaller balloons in the picture. When the shapes are cut then stick them onto the picture. Use colouring pencils to finish the picture. Try not to use felt tips.
